

## ***TOURNAMENT GUIDELINES***

Registration Fee	Early Bird (till 1 <sup>st</sup> Apr)	Post Early Bird
Adult Drivers	2499	2999
Junior Drivers (Under 12 year old)	1499	1999

### **Inclusions:**

- 2 Qualifying Sessions of 7 minutes
- Exciting Prize Pool
- Event Goodies & Merchandise

### **Steps to follow for registration :**

- 1) Register through the participation form with correct info in every field.
- 2) Pay the Registration fees by 15th April 2026 via cash at venue, Online Payments or UPI. Get in touch with our team if you face issues.

*(Note: Entries without payment will **not be accepted**)*

## Start of Qualifying Heats

1) All participants are required to do at least two sessions for qualifying lap timings.

2) Drivers will set the best lap times and compete against everyone in their groups from 1st Apr onwards till 1st May 2026.

Junior & Adults drivers will participate in separate groups

3) Minimum requirement to enter for Junior class is 4ft height.

4) **Top 15 Drivers** will qualify overall for the Race Weekend from each group, (Juniors/Adults)

5) To ensure Clean racing the participants would be invited on weekdays or low traffic time at the track.

6) Participants will be added to the official WhatsApp Channel for categories where best lap times & standings for each group will be shared periodically. Check your ranking and lap timings on the official channel.

7) Participants will have flexibility to coordinate with The organizers for getting slots as per preferable schedule throughout the qualifying race period (**1 Apr - 1 May 2026**)

8) In case the participants are not happy with their scores - they can add another round in the tournament at the standard sessions rates available at the venue. (This can be done only after the registration fee has been paid)

9) Gears will be provided at the venue (i.e. Helmets/ Neck braces). Participants are also allowed to use their own gear.

10) There would be **no additional fee** for the Race Weekend Participants.

## Start of Qualifying Heats

11) Qualifiers will be declared based on the **average of 2 fastest lap times**.  
E.g. If your 2 best lap times are 29.873 Sec and 29.920 Sec the Fastest lap considered for the tournament would be  $(29.873 \text{ Sec} + 29.920 \text{ Sec}) / 2 = 29.896 \text{ Sec}$ .

12) Electric Karts would be provided at the venue.

All Adult Karts provided would have a **1.5KW** Motor along with a **60V** battery pack.

All Junior Karts provided would have a **0.8KW** Motor along with **48V** battery pack

13) Any touch to another driver/ Touching in barricades would lead to disqualification of that specific lap time.

To ensure clean lanes - a maximum of 3 drivers would be allowed during the tournament sessions.

14) Participants would be requested to do the lap times during Weekdays to ensure we can accommodate empty tracks. The same would be coordinated by the Race Marshal and organizer teams

Choice of Karts would be given based on availability - This would be easy for the team to accommodate during weekdays.

15) Every Participant would receive a T-shirt, Goodies & Participation Certificate from the organizers.

16) All Participants would have visibility of the best lap times during the entire championship.

17) Race Marshal / Control's decision will be **FINAL** on the track at all times
